Call Range Property Management (970-586-7626) to see if cabin is available (they sometimes have a renter being processed that may not be listed on the website calendar yet). They will put your name in for that requested date. •One caveat: If they have a renter interested in that date later on, renters will take precedence over family and you will need to make other arrangements. They will let you know if that happens one week prior to requested time. If still available, you will receive confirmation of your time. •There is a \$100 cleaning fee if you stay at the cabin during the summer rental months to be paid to Range Realty.
